

Bird-X, Inc.
Material Safety Data Sheet

Bird-x, Inc. 300 North Elizabeth Street Chicago, IL 60607
312-226-2473
EMERGENCY PHONE: Contact local poison control center

I. Product Identification

Product Name: **Bird-Proof Gel**
Generic Name: Bird Repellent
Active Ingredient Chemical Name: Polybutene
Chemical Family: Petro Chemical
H = 1 F = 1 R = 0 Personal Protection = Safety Glasses

II. Hazardous Ingredients / Identity Information

| <u>Hazardous Component</u> | <u>OSHA PEL</u> | <u>ACGIH TLV</u> | <u>Other Limits</u> | <u>%(optional)</u> |
|----------------------------|-----------------|------------------|---------------------|--------------------|
| | N/A | N/A | N/A | |

Bird-Proof Gel is not a hazardous material as defined in 29 CFR 1910.1200.

III. Physical Data

Vapor Density (AIR=1): N/A
Vapor Pressure (mmHg): N/A
Evaporation Rate, Butyl Acetate = 1: Negligible
Specific Gravity: H₂O = 1
Bulk Density: N/A
Boiling Point: Not Determined
Melting Point: Not Determined
Solubility in water: Below .1%
Appearance/Odor: Colorless gel, slight rubber odor
% Volatile: Negligible

V. Fire, Explosion and Reactivity Information

Flash point (method used): 378 Deg. F PM
Flammable limits: N/A LEL: N/A UEL: N/A
Extinguishing Media: Foam, dry chemical, CO₂, Water. Apply to burning area.
Special Firefighting Procedures: Material will flow when hot. Contain material to reduce spread. Firefighters should wear full bunker gear, including a positive pressure SCBA.
Unusual Fire and Explosion Hazards: Respiratory and eye protection is required.
Incompatibility: None
Stability: Stable
Hazardous Polymerization: None. Incomplete burning can produce CO, CO₂ and other harmful product.

Conditions to Avoid: None

VI. Health Hazard Information

Routes of Entry: Inhalation: No Skin: Yes Ingestion: No

Health Hazards (Acute and Chronic): No significant health hazards exist at ambient temperatures. Redness and irritation may occur on contaminated skin and eye contact may be slightly irritating, but product does not cause long-term adverse health effects. For hot product, cool immediately and treat as a burn.

Carcinogenicity: No

NTP: No

IARC Monographs: No

OSHA Regulated: No

Medical Conditions Generally Aggravated by Exposure: None known

EMERGENCY AND FIRST AID PROCEDURES:

Wash exposed areas with a mild solvent (baby oil or mineral spirits) Followed by soap and water.

VI. Environmental Protection Information

If Material Released / Spilled: Spills can be contained and removed with absorbent material such as sand and washed with hydrocarbon solvent (mineral spirits), or detergent. Remove source of ignition.

Waste Disposal Method: Landfill or incinerate (unless otherwise prohibited by applicable ordinances) in accordance with all local, state and/or federal regulations.

VII. Control Measures

Respiratory: None

Work / Hygienic Practices: Wash hands thoroughly, standard good practices.

Eyes: Safety glasses as needed for other activities.

Ventilation: None

Gloves: None except for comfort

Other: None

VIII. Special Precautions

Storage: In secure area to prevent container damage/spillage. Keep from freezing, and from children, domestic animals and pets.

Other: N/A

Disposal: Landfill or incinerate in accordance with local, state, and federal regulations.
