Used Huck Towels

#1 Towel Used By Professionals

We purchase the highest and most expensive grade of blue towel available.

Step 1: We hand-sort every towel. Some towels have holes, stains, rough textures, or other blemishes. These rejects are removed, but available for sale at a discount.

Step 2: Towels are weighed. We use true weight. The weight of the box and packaging is not included. When you order 5 lbs of towels, you get 5 lbs of towels.

Step 3: Towels are packaged into their various weights. Pictured above is a 5 lb bag.

Step 4: We move them to the pick/pull area and ship them to you! We have thousands of pounds in-stock!
