Starting Out

When you first get started, this is how your cart will look. The rest of this guide will explain getting from here to cleaning windows.

Attach Handle

Using tools (not included) tighten nut on to handle bolt.

Remove DI Plug

Provided plug should be kept and reinserted when system is not in use to prevent your filters from drying out.

Attach Feed Hose & Pole

Screw the feed hose into system input elbow. Connect pole tubing to quick connect shut-off.

Turn On Water/ Clean Windows

Enjoy your NXT system!
